

Horse riding at Issyk Kul Lake

A loop following Scythian's kurgans

Two days of easy ride on sand and dirty roads from the village of Kyzyl Suu, chef-lieu of the Jeti Oguz district, to Issyk Kul lake and back. On the way, we can observe kurgans, which are still keeping their secrets. But the spot of this program is the sandy and wild beaches of Kyzyl Suu and the hot sources.

Discover the wild beaches and the hot sources of Kyzyl Suu

This short discovery on horseback is carried out with a community of families from the region and is part of our eco-tourism development. This loop can be done all year round.
